Letter from the President

PRODUCT OF THE MONTH

Ed Jaunzemis; President / CEO

This is a special time of month where we reflect on our loved ones, family, and good friends. Gratitude magnifies our experience with all good things in life, enabling us to enjoy them more thoroughly. Gratitude also helps us to endure the challenges in life with dignity, perhaps even with humor. At this time I personally would like to extend my gratitude to all those who have been a part of my life, and also Thank all our customers for their wonderful support and continued business throughout the years.

It has also been my pleasure to accommodate the needs of our customers throughout the years, as they have made fireplace conversions from old sooted logs, to reflective Fire Glass, Patent #'s 7,976, 360 B2 & 8,419,505 B2, & Patent Pending. A perfect transformation just in time for the Holiday's.

For more information about our innovative "State of the Art Products" and also how to transform your Fireplace with Fire Glass Visit our website at www.Moderustic.com
