FOR IMMEDIATE RELEASE

## FIREGLASS HAS BEEN FINALLY PATENED\*\*!

Signaling Imminent Change Over Manufacturing, Selling Rights  
Of Tempered / Tumbled Glass for Fireplaces And Fire Pits, Safe Glass.

Rancho Cucamonga CA, August 8, 2011. After eight years in patent litigation/process\*, Moderustic Inc was issued US patent # 7.976.360 B2\*\* on July 12, 2011; (and Moderustic® is proud to have been issued 4 U.S. Patent Numbers US9700987B1 and US9808905B2 and Patents pending status!) unexpected reality by many in the burgeoning industry. The patent\*\* marks the beginning of sensitive negotiations with competing nation-wide manufactures and their dealer networks that may have been selling the patent-pending product for several years. Moderustic Inc will be represented by several firms, legal and licensing) across the United States.

The popular tumbled tempered glass product has been otherwise known as:

- Fireglass
- Fire Rocks,
- Fire Crystals
- Fireglass Stones
- Fireplace Glass
- Burning Glass/ Fire Crystals

However, the Moderustic patents\*\* covers all tempered glass fragments. Effectively covering all known forms of the popular fireplaces and fire pit glass\*\*.

"It has been a long journey. And I plan to honor my wife's memory as I move forward into the future that we had always imagined." Says Moderustic founders "Edgar and Claudia Jaunzemis".

Moderustic has not only been manufacturing fireglass but also navigating the competitive edge by branching into multitude of product lines and various custom metal and fire features for residential and commercial use.
